Accident Free Project

Same Day Service

### Programme

90 + Weeks

### Value

£200,000 circa

### Waste Removed

183 Tonnes of waste removed of site with 97% recycled.

*"There was no other contractor that I wanted to use and contacted them immediately. The client requests and targets set by BREEAM are certainly a challenge and Lawmens have worked with us to meet each one. We are very happy with the service that they have provided us so far and will continue to provide" - Lauren Moorey*
